Key Features....

VetIndex is the only veterinary publication specialising in locating providers of **equipment, supplies, services and referral services** for veterinary practices.

- Updated annually – 2010 edition due for publication in March 2010.
- Quality bound format – easily found on the surgery shelf.
- Sent free of charge to over **3,800** main surgeries and branches.
- Very competitive advertising rates.
- 52 weeks shelf life.
- Indexed format makes accessing information on a particular subject very easy.
- Used all the time to find those “must have” telephone numbers.
- Veterinary Surgeons, Practice Managers, and Veterinary Nurses all use it.

Plus... **FREE** – Listing on our web site at vetindex.co.uk and vetindex.com

Some recent testimonials....

“The best reference guide for just about everything, from pet caskets to doggy swimming pools, and nurse training to equine tables! Fantastic read even if you don’t need anything”!

Kate Richardson VN. The Veterinary Surgery, Wadebridge.

“VetIndex is always my first point of reference when sourcing a new supplier.”

Shirley Burke DipAVN(Surg) VN

The VetIndex is brilliant! – a wonderful concept, masterfully produced!

Colin Baxter BVM&S MRCVS, Nantwich Veterinary Group

“It’s an extremely useful reference document”

John Bower BVSc MRCVS, The Veterinary Hospital, Plymouth

“I find it extremely useful in my daily practice”

Jennifer Sauer MRCVS
